STATEMENT SAVINGS

Rate Information: Your interest rate and annual percentage yield may change.

Frequency of rate changes: We may change the interest rate on your account at any time.

Determination of rate: At our discretion, we may change the interest rate on your account.

Compounding and crediting frequency: Interest will be compounded every quarter. Interest will be credited to your account every quarter.

Effect of closing an account: If you close your account before interest is credited, you will receive the accrued interest.

Minimum balance to open the account: You must deposit \$10.00 to open this account.

Minimum balance to avoid imposition of fees: A minimum balance fee of \$2.00 will be imposed every month if the balance in the account falls below \$100.00 any day of the month.

Daily balance computation method: We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

Accrual of interest on noncash deposits: Interest begins to accrue on the business day you deposit noncash items (for example, checks).

Transaction limitations: During any calendar month you may not make more than six (6) withdrawals or transfers to another account of yours or to a third party by means of a preauthorized or automatic transfer or telephone order or instruction, computer transfer, or by check, draft, debit card or similar order to a third party. Transfers and withdrawals made in person, by messenger, by mail or at an ATM are unlimited.

Rate Information: The interest rate for your account is ____% with an annual percentage yield of ____%.
