**Transaction limitations:** Deposits to your account may be made as frequently and in any amount that you desire. Withdrawals from your Christmas Club are not allowed.

**Early withdrawal penalty:** Withdrawals are not allowed on your account. If you elect to close your account before the maturity you will be required to pay a penalty of loss of accrued interest.

**Time requirement:** Your account will mature on October 30, \_\_\_\_\_.

**Renewal policy:** We will pay the balance in the account plus accrued interest as of October 30, \_\_\_\_\_. The funds will be paid out in the form of a check which will be mailed to you, or directly deposited into another account.

**Rate Information:** The interest rate on your account is 0.15 % with an annual percentage yield of 0.15 %. You will be paid this rate until maturity.

### 3-MONTH TO 5-YEAR CERTIFICATE OF DEPOSIT

**Rate Information:** The interest rate on your \_\_\_ month term account is \_\_\_ % with an annual percentage yield of \_\_\_ %. You will be paid this rate until the maturity date of the certificate.

**Compounding frequency:** Interest will be compounded every quarter.

**Crediting frequency:** Interest will be credited to your account every quarter.

**Minimum balance to open the account:** You must deposit \$500.00 to open this account.

**Minimum balance to obtain the annual percentage yield disclosed:** You must maintain a minimum balance of \$500.00 in the account each day to obtain the disclosed annual percentage yield.

**Daily balance computation method:** We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

**Accrual of interest on noncash deposit:** Interest begins to accrue on the business day you deposit noncash items (for example, checks).

**Transaction limitations:** You may not make any deposits into your account before maturity. You may not make withdrawals of principal from your account before maturity.

You can withdraw interest any time during the term of crediting after it is credited to your account without penalty.

**Early withdrawal penalties:** We will impose a penalty if you withdraw any of the principal balance before the maturity date. The fee imposed is equal to the following:

- If your term is 3 to 6 months, the fee we may impose will equal 90 days interest on the amount withdrawn subject to penalty.
- If your term is 12 to 36 months, the fee we may impose will equal 120 days interest on the amount withdrawn subject to penalty.
- If your term is 48 to 60 months, the fee we may impose will equal 180 days interest on the amount withdrawn subject to penalty.

There are certain circumstances, such as the death or incompetence of an owner, where we may waive or reduce this penalty. See your plan disclosure if this account is part of an IRA or other tax qualified plan.

**Withdrawal of interest prior to maturity:** The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

**Automatically renewable time account:** This account will automatically renew at maturity. You may prevent renewal if you withdraw the funds in the account at maturity (or within any grace period mentioned below) or we receive written notice from you within any grace period mentioned below. We can prevent renewal if we mail notice to you at least ten days before maturity. If either you or we prevent renewal, interest will not accrue after final maturity.

Each renewal term will be the same as the original term, beginning on the maturity date. The interest rate will be the same we offer on the new time deposits on the maturity date which have the same term, minimum balance (if any) and other features as the original time deposit.

You will have ten calendar days after maturity to withdraw the funds without a penalty.

### **12-MONTH TO 5-YEAR IRA CERTIFICATE OF DEPOSIT**

**Accrual of interest on noncash deposit:** Interest begins to accrue on the business day you deposit noncash items (for example, checks).

**Transaction limitations:** You may not make any deposits into your account before maturity. If you are under age 59 1/2, you may not make withdrawals of principal without penalty from your account before maturity. If you are age 59 1/2 or over, you may make withdrawals of principal from your account without penalty as long as you maintain a minimum of \$250.00 in the account.

You can withdraw interest any time during the term of crediting after it is credited to your account without penalty.

**Early withdrawal penalties:** We will impose a penalty if you withdraw any of the principal balance before the maturity date. The fee imposed is equal to the following:

- If your term is 12 to 36 months, the fee we may impose will equal 120 days interest on the amount withdrawn subject to penalty.
- If your term is 48 to 60 months, the fee we may impose will equal 180 days interest on the amount withdrawn subject to penalty.

There are certain circumstances, such as the death or incompetence of an owner, where we may waive or reduce this penalty. See your plan disclosure if this account is part of an IRA or other tax qualified plan.

**Withdrawal of interest prior to maturity:** The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

**Automatically renewable time account:** This account will automatically renew at maturity. You may prevent renewal if you withdraw the funds in the account at maturity (or within any grace period mentioned below) or we receive written notice from you within any grace period mentioned below.
